Change Proposal

Here is an idea for where to place Harassment on the Discipline Matrix. Can we place it on its own level and have the consequence as follows:

1st offense: 1-5 days OSS per administration. A plan then must be created outlining how the behavior will change. The plan will be reviewed and signed by all parties involved. The plan will also list supports that could be provided by the school/staff.

2nd offense: 3-10 days OSS per administration. Review of Behavior Plan

3rd Offense: 10 days OSS with superintendent review and possible board hearing.

***Rationale: Sexual Harassment is more serious than just Harassment and the administration feels that a more just consequence would be listed steps above.**

Current Policy
